Sasha teaches another teen a sex lesson on page 44.

Sometimes Less Is More

Dear Virgin Territory,

Although you have reduced the frequency of your magazine, the quality has become outstanding. The Feb. '16 issue is one of your best yet. I hope you are able to keep up the momentum. Some of the stars of this issue are lovely Liza, little Lucy, naughty Naomi and of course, anal Alice! All the girls are hot, but these four really stood out to me.

We'll start with Liza. Wow! It's always a treat when you get a girl with braces. And if she fucks, even better! And it's not just her braces that make her so yummy. It's her beautiful face, tight body and pristine pussy. I love the photo on page 17 and seeing the cum on her braces on page 19. Lucy is just adorable. Who could resist that face? She looks so sweet, but then when she contorts into her flexible poses you see how naughty she really is. She must be amazing in the sack with her flexibility. Naomi is so beautiful. If she were tall enough she could probably be a mainstream model. I got lost looking into her gorgeous eyes and admiring her sweet smile. I like her tanlines too. She must be a sight to behold at the beach in a tiny bikini with that long blond hair and perfect figure.

And finally, we come to Alice. We have seen her fuck before, but I didn't think we would be so lucky to see her do anal! And in a three-way no less. That Sasha really knows how to turn teens out. I loved seeing Alice cradled between the MILF and the guy with a cock buried deep in her ass. Good for you, Alice! And thank you for another amazing issue.–J.U., Baltimore, Maryland

Dear J.U.,

Now that we are only running six issues a year, we do our best to pack every issue with hot teens. All the girls in the Feb. '16 issue were amazing finds. Remember, you can see Alice's anal scene in The Sex Tutor, *available for order on page nine. All the other girls will be coming up in XXX scenes as well.*

New In Teen Town

Dear Virgin Territory,

I got your magazine for the first time, and I was happy. The girls are fab. It is so nice to see them. What caught my eye first in the Dec. '15 mag was Marissa on page eight with her lips apart, her hole showing and

Here Marissa spreads in our classic centerfold pose.

no fingers in the way. I keep getting hot looking down at her.

I have looked at your mag hundreds of times. I'm fed up with the others; all you get is too many cocks page after page. Too many ads as well. I like to look at your models like it's her lock and my key going in. If I feel down all I have to do is look at your magazine.

Your girls make me wish I was young again. Jojo has it down. She likes a hot tongue being dragged from the top of her clit to the bottom of her asshole. She looks nice and open on page 30.

Sorry if I do go on, but that is what I think of your mag. Marissa got me going. If I put down all I liked I would have to write a book.– Anonymous

Dear Anonymous,

Welcome to 18eighteen! *We hope you'll stick around for many more issues and many more spread open teen pussies.*

Danielle's Dome

Dear Virgin Territory,

Thank you for having Danielle! I saw her in the Holiday '15 issue of *Naughty Neighbors* and I was turned on by the size of her dome-shaped pussy mound and how nice her thick, puffy cameltoe looks. I asked if Danielle would appear in *18eighteen* with a nude photo layout and show off her beautiful white, bald pussy and you guys did put her in! Thank you! This is the best Christmas present ever. I do believe in Santa.

Danielle's unique, puffy pussy mound gives her twat the cushioning it needs to really take a pounding, which is her favorite way to get fucked.

I just love that 18-year-old teenager look in Danielle's face. She has very pretty eyes, a cute smile and her tits are so young and puffy looking. Even her ass is young looking. And then I see her pussy on page 40 hiding behind that yellow piece of cloth she is wearing. It's so fucking puffy and the picture next to it showing her super tight pussy hole–it's so pink! Her pussy is impressively large and enduring. I can't believe how small and super tight looking her pussyhole is compared to the size of her massive, puffy camel toe and beautiful pussy mound.

If you guys could have her back one more time to give a final show of her enormous, dome-shaped pussy mound it would be magical. Thank you for all you do, and I'm going to miss the month-to-month issues. It's going to be quite a wait every two months for your magazine.– Anonymous, Tacoma, Washington

Dear Anonymous,

Fret not. You'll see Danielle again! We still have a hardcore pictorial of her to run. If you can't wait to see it, check out her scene in Flat & Fucked 9.

Nothing Tops Flexible Teens

Dear Virgin Territory,

Covergirl Lucy from the Feb. '16 issue is stunning. I haven't been floored by a girl the way I was with her in a long time. Just reminds me why I'm a loyal subscriber to your magazine. Great job with the white panties, socks and private school uniform. I'll never get sick of seeing those uni-

With her legs back like this, it's an even tighter fit in Lucy's slit.

forms. They remind me of when I was in an all-boys private school and would lust after the nearby private school girls and their plaid skirts. Lucy really brings me back to those days. I love the flexible poses of her too. Please find more flexible girls and shoot them in splits and with their feet behind their head. Her flexibility shows off her pussy nicely when she spreads her legs super wide. I'm a fan of her purple labia with super pink insides. Her hole is so tiny you can't even see it when she spreads her lips!

I also want to thank you for putting a solo girl in the centerfold spread. It had been a while. I like hardcore, but there's something about seeing a fresh girl spread wide open in all her naked glory with no other distractions. Seems more fitting for a centerfold shot. But please do keep printing large full-page shots of hot hardcore action. And speaking of which, can't wait to see Lucy take on a giant cock.–T.M., Boulder, Colorado

Dear T.M.,

You'll be seeing Lucy fuck soon! If you get a chance, you should watch her XXX scene on 18eighteen.com. Aside from being a cutie, her squeaky little voice is a turn-on too.

Naomi's Not His Norm

Dear Virgin Territory,

I'm a *SCORE* man, but I do subscribe to your other magazines too. As much as I love big tits, I'm still a perv who likes to look at all kinds of women. I have to say I was struck by Naomi in your Feb. '16 issue. Like I said, I prefer big tits, but when a pretty, young thing is as tight and perky as her, it doesn't matter. I would eat her ass and pussy like there was no tomorrow. Just take a look at the photo of her on page 54 bending over. Who could resist slurping up that delicious clam and starfish? I also love the big clit. And even though she's got smaller breasts than what I usually prefer, her tits are perfectly perky and suckable. I'd love to get my hands, mouth and cum on them!

I remember years and years ago you ran a pictorial with a *SCORE* model and an *18eighteen* model side by side. I personally enjoyed seeing the contrast between the two. I think Naomi would be the perfect girl to do that with. And it would be awesome if we could see her have lezzie sex with the busty model. I would blow such a big load to see her pretty, little face sandwiched between two giant tits!–K., via email

Dear K.,

We like your idea of pairing a teen with a busty girl. If our other readers like the idea, it's something we could set up. So what do you say, guys? Want to see teens and titters? Let us know!

Who needs big tits with a face and ass like that? Not Naomi!

The Girl Of Your Wet Dreams

Dear Virgin Territory,

Lily looks like something out of a dream. She is just the kind of anonymous girl I make up in my mind when I have sexual fantasies: blonde, slender, cute and wholesome. I'm glad Lily doesn't have any tattoos. That's not my favorite fad. Lily looks ready for the taking with the way she spreads her pussy and ass. And man, that is one good looking asshole. I looked at her photos over and over again. I don't think I'd ever get tired of her.–P.S., New Haven, Connecticut

Dear P.S.,

You'll see Lily's naughty side when we run her XXX pictorial. 18

Lil' Pissers

Hot, gushing streams!

Readers have made it abundantly clear that they want to see more teens pissing. So we brought in the hottest girls we could find who were willing to pee for the camera and filled them up with water until they were ready to burst. Gushing streams were unleashed from their tight pussies, and we caught it in photos and on video. Unfortunately the tinkle shots are too hot for print, so we can't show you those here. But *Lil' Pissers* is filled with the golden showers that you want to see. You'll feel like you're right in the action in Adria Rae's scene. She stands on a glass table and pisses all over it while we film from below. She looks down at us smiling as her pee spreads all over the glass and drips off the sides. She must've unleashed at least eight ounces of piss!

Hey, Adria. What kind of girl were you in school? Popular? Nerdy?

"I guess I was popular, but I was also a good student. I did a lot of extracurricular activities. I was on the student council, in yearbook and in the Future Business Leaders of America. I had a lot of friends, but a lot of girls also didn't like me. It might have had something to do with me being voted biggest flirt. That was kind of a gag, since I was in yearbook, but it was kind of true."

Were you stealing boyfriends?

"Not intentionally! I'm just really friendly with everyone, and I guess guys like that. I hooked up a lot, but so did everyone else. Although I have to admit, I was pretty friendly with the football team. I think I saw just about all of their cocks."

Would you have been voted biggest slut?

"There might have been a few girls who would've got that vote before me, but I was probably a candidate! I didn't have sex with every guy, but every weekend there was definitely cock sucking and pussy eating going on."

HOOKED ON TEENS

Dale Wicker was in an unhappy marriage and had two kooky sons. When a certain appetite for tight teen girls caused a domestic ripple, he took off on a thinking man's fishing trip, only to catch the tastiest piece of young ass he ever imagined…and end up with one whopper of a story!

By Miller Stone
Illustration by Otis Sweat

Dale walked up the gravel driveway and then on up the steps to his prized, wooden porch. He had built it four summers ago in a dead heat and always took a certain pleasure in walking up its steps each evening, after working long hours in the construction business. The porch instilled a sense of pride, but that sense quickly vanished once he entered his household, one littered in permanent disarray and family dysfunction.

"Son of a bitch! Bobby!" yelled Dale.

The family bulldog, Butch, was standing up in a wooden chair, with two paws balanced on the kitchen table. He was slobbering all over a chicken dinner. Moreover, the meal had already been attacked by something that looked sort-of-human–most likely his 20something, worthless sons, Bobby and Topher.

Dale was furious and this was the last straw. He had to kick Bobby out of the house for good. His wife sure as hell wasn't going to do it for him, wherever she was. He grabbed a bottle of Jack out of the freezer, took a swig, and then he went to get his gun out of the cabinet, just for emphasis, of course. He made sure it wasn't loaded and then he marched out of the den and on down the dimly lit hall of his country-style home. Light splashed out across the hall from a sizeable crack under the bedroom door.

When Dale kicked the door open, what he saw made his dick jump in surprise. Dale was caught. He knew a divorce was most likely in order.

"Jenny," exclaimed Dale. "What are you doing here, baby? You're going to get me killed or divorced."

"Dale, I had to see you," Jenny cooed. "I didn't want to get naked in your wife's bed, so I picked this one.

Aren't you going to touch me? Make love to me, Dale."

On the ruffled bed in Bobby's cluttered room, Jenny was splayed out bare-ass naked and rubbing her moist, tight pussy. A droplet of teen juice had hit the bed sheets–around the same time a drop of drool from Dale's mouth hit the floor.

Dale had met Jenny at a gas station less than a year ago. At the time, she had bragged about just turning 18–he had made sure to check her license, because she didn't look it–and she was a hotter piece of ass than Dale had ever envisioned while jerking it in the shower as his wife, Gladys, slept. Jenny's skin was tan and freckled, cooked just right to a summery, brown softness. She was a teen with a capital T for trouble.

Even at first sight, Dale had wanted to bend down between her legs and lick the cool surface of her bikini tan-lines. He had wanted to lick on up her legs until he reached her watering pussy morsel. Her hair was long and shiny with straight, brown locks flowing across her partially revealed back, like hair out of a shampoo commercial. Her lips were glossed a thick pink and were so ripe that little reflecting pools shimmered off them like drops of pre-cum. Dale's wandering eyes crawled into her red, polka-dotted top and took in the white-fleshed, teen cleavage. It looked good. Even back then, his tongue had wagged at the mere sight of Jenny clothed.

That day at the gas station, she had persuaded him to buy her a lollipop along with his gas, which he did without a bit of hesitation. Outside, she had sucked the candied top off the stick as he pumped gallon after gallon into his truck's tank. They had fucked like savage ferrets in his truck just minutes later, on an abandoned dirt road. Dale's big cock had split open her young, raw vagina like an ax through firewood. He remembered looking up at Jenny in a sweaty fit of concentration, watching her bite her glossy bottom lip as she enjoyed the ride. An explosion of cum was brewing in his balls, and that bit-lip imagery made him grip the back of her neck like a pig skin and shoot a fat load up her slit. It had been an injection of passion, lust and dirty thoughts, and he hadn't thought about his wife once.

And here she was now. Naked. In his son's bed. Wanting to fuck. What was a man to do?

"Jenny, I just can't," Dale stuttered. He was practically talking himself out of it. "You don't understand, hon', this is my home. My wife is coming back any second, not to mention my two sons. Look at this room! Bobby's going to get it!"

"Fuck me, Dale," said Jenny, "you big stud. Fuck me like you did in your pick-up when we first met. You don't have to use a rubber, I'm good. What are you, chicken?"

With that insult, Dale put the rifle against the wall, unzipped his pants and grabbed his man-meat through his long johns. She had a way of putting him down that made his blood boil and made his dick jump around like a trouser snake. He felt the veins throbbing in his member as he turned around and showed her it. Did she really want all nine inches of his rod? Could she handle it? She always could, but this time, given the circumstances, he was going to give it to her extra-hard. Chances were, they'd never talk after this, let alone screw like wild, rabid dogs in a tunnel.

"Oooh, look how big it is Dale. Where you goin' to put it?" laughed Jenny, like a witless cheerleader.

"Girl, I'm goin' put it in your pussy," said Dale. "Where the hell else would I put it? Now flip on over and make her wet for me! Rub that twat till it's good and slick!"

"No, you're not, Dale," said Jenny. "I want you to put it somewhere else," she said, slapping her ass. "Now get to it. Or are you a big chicken, stud-muffin?"

Jenny was flipped over on all fours, wiggling her plump ass cheeks in the air like a wicked dare. Her fuzzy pussy hair glistened under the bedroom light like follicles on a piece of exotic fruit. Out in the country where Dale lived, this type of fruit just didn't grow on trees. He fully dropped his underoos, scrambled his feet out of them and aimed his cock-spear into her cunt. He was damned if he would fuck a teen in the ass in his family's house. It was too much, even if it was Jenny.

She lifted her rear up as if for annual inspection, but Dale made sure to sink his driver into her naturally wet, tangy pussy-hole as he grabbed hold of her ass-flesh. He needed grip to place himself deep inside of her. One thing about Jenny, the girl liked a raw dick buried inside of her cooch.

Dale was never sure who raised this backwoods nymph, and he didn't really give a shit, but sometimes he wondered how she learned to fuck so good. Perhaps she was a natural as men say around bars late at night when they're up to no good. Dale didn't stay out late anymore, and Jenny was how he lived vicariously. He fucked her and he felt like a real man, a beast.

Jenny screamed as he plunged into her swollen twat, and he quickly directed her mouth down towards a pillow. He had to finish quick, otherwise his house would come crumbling down, perhaps literally, knowing his wife. Her pussy squished. Its erotic-smelling juices slapped up around his shaft like the Atlantic Ocean on a rock. Jenny bucked like a prized rodeo steer, gripping the bedposts and closing her eyes. She secretly liked to picture her pussy getting filled with cream like a chocolate egg. Dale felt around and took small handfuls of her A-cup tits, smearing them around on her chest, as his body rubbed against hers. There was a sweaty, irresistible friction in the air.

"You been a naughty girl, Jenny?" grunted Dale.

"Oooh. What are you going to do?" taunted Jenny. "Is big Dale going to punish me? I'm only 18, so you can't be too hard on me. Your cock feels small, what happened?"

"Jenny, what did I tell you about

Tell us about your kinkiest experience.

"It was in the bathroom at school. Some guys had dared this guy to go into the girls bathroom. He went into another stall and just sat there in silence. I called him over to keep me company while I peed, and he got hard when he saw my pussy."

What happened next, Chloe?

"He watched me pee, and then I told him to take out his cock so I could suck it. The blow job was really hot, and at the same time I was shocked that I was doing it in a bathroom at school. I remember being really turned on. His cock felt so hard in my mouth; I knew it would feel great in my pussy. So I stood up, and he fucked me from behind. I wanted to moan but had to stay kind of quiet just in case. My pussy was making squishy noises from being so wet while he thrust into me. He didn't last long, maybe like, eight minutes. But I came, and he sprayed cum all over my ass."

We caught Chloe unleashing her full bladder online at 18eighteen.com!

That guy from her school isn't the only one who gets turned on watching girls pee. *18eighteen* readers can't get enough of our tinkling teens, so we asked Chloe if she'd be so kind to give us a pee show. She was happy to oblige. "I've actually fantasized about a guy watching me pee outside. I think voyeurism is hot. Probably explains why I fucked that guy in the bathroom!"

Zaya, we rarely get Native American models. What brings you to our mag?

"I've always had a bit of a naughty streak. I was always the most daring one of my friends and the first to get naked at a pool party. I'm also very comfortable with nudity and my sexuality. The idea of just being a regular girl with a regular job and having the same boring sex sounds terrible to me. So I'm here to have some excitement, show off my body and cum a bunch of times while I'm at it! This is something I wanted to do, and I would regret it if I didn't. I have a bucket list of things to try, and I'm making my way through it."

What else have you scratched off your bucket list at such a young age?

"I had been dying to be in a three-way, but specifically a three-way with two guys. That was like my ultimate fantasy, and I did it. I would be sucking one of their cocks while the other one was fucking me, and they would switch. Being sandwiched between them was as awesome as I thought it would be. Doggie-style is my favorite position and that really works when you're with two guys. The hottest moment for me was when one guy was fucking me from behind and pulling my hair so my head was pulled back while the other guy face-fucked me. Can you tell that I like raunchy, dirty sex?"

Kasey My First Fourway

Kasey is a bit of a brat and needs to be taught a lesson.

In this scene from *The Sex Tutor* (which you can order on page nine), Kasey is giving her tutor a ton of 'tude. He brings her to Ms. Sasha for disciplinary action, but they walk in on Sasha sucking a cock. Oops. That doesn't faze the horny cougar; she's ready to put Kasey in her place. Sasha pulls the teen's ponytail and asks her if she's ever sucked cock. Kasey says yes, but Sasha wants to see for herself. Kasey demonstrates, switching off from one cock to the other, sucking deep and sloppy.

We think Kasey ends up learning her lesson.

The scene escalates into a raunchy, dirty-talking four-way where both gals are getting their pussies plowed. Sasha spreads Kasey's ass cheeks as she's getting fucked from behind and spits on the cock for extra lubrication. Kasey gets a taste of some MILF pussy, too. Both girls ride their way to a creamy, cum-soaked ending, and it's quite clear that Kasey has learned her lesson. Sasha runs the show. And if that show involves multiple hard cocks, group sex and lots of cum, it's better to sit back, listen and do as Ms. Sasha says.

Ariana knows that nothing is harder than morning wood.

Ariana was expecting to find her brother in the bathroom, so imagine her surprise when instead it's his big, hung friend who just happened to spend the night. He has a case of morning wood, and she wants to help him out. "He was just standing there with a massive hard-on in his shorts. My eyes were glued to his cock. I needed to see that thing in all its glory!"

She's on a mission for cum.

Ariana doesn't waste any time blowing him. His cock is pretty big, so she uses her hands, along with plenty of spit, to help her mouth out. His wood is only getting harder, and she knows she needs to bring her pussy into the equation if she wants to get him off.

Ariana's pussy gets a hot beef injection

This guy's cock slides right in and Ariana is moaning and rubbing her clit in no time. She loves it when he slaps her ass and fucks her hard. And she loves it when he blows his jizz all over her tongue. Mission accomplished.

makin' fun when I'm screwin' your pussy?" grunted Dale. "Girl, you're going to get it now. You asked for it!"

"Umph!" said Jenny, with gleeful surprise and lewd volume.

Dale pulled out of her pussy and took a fistful of her shiny, brown locks. He pulled her head towards him, took her cheeks in his hand and made her look up at his eyes.

"Now girl, I'm goin' to teach you right," declared Dale with primal authority. "How many times we goin' screw and you start makin' fun of my pecker? You know no other man in town has a kit like mine, so you best pay your respects. You teens these days are all the same!"

"Dale, I was just kidding, sweetheart," Jenny screamed in a mock apology. She loved these games. "I…"

Dale ran his big hand through the top of her hair and directed her mouth onto his cock. He felt a big load brewin' now and he wanted this slutty teen to swallow every last drop. She gagged at first but found her rhythm. She slurped her way up and down his shaft, looking up at him for approval. He gave her nothing back in return except a thrust of his pelvis that shot his dick to the back of her throat. A fat wad was coming up, and Dale pictured a hot stream of cum flowing out of his urethra into her busy mouth like hot lava.

All of a sudden Jenny's tiny, expert hand grabbed hold of his nutsack and milked it. She slurped so loudly and Dale loved that. She bobbed on his cock like her head was deep in an apple barrel at the county fair. The cum was so forceful it slimed out and streamed across her cheeks like rain on a car window going 70 miles per hour.

"Mmmm, Dale," said Jenny, gagging,"Mmmmm, so good."

"Dale!" boomed a familiar voice from across the room.

Dale heard the sound of the rifle being cocked. He felt the tip of the barrel on his back and looked down to see Jenny's reaction. He was astonished to find her still chugging on his slimy eel like it was a late-night beverage. She was totally oblivious and lost in insatiable teen sluttiness.

"Dale, goddamn it!" boomed his wife's voice. "You tell that whore to stop doing that right now!"

"Uhh, Jenny, stop," said Dale, with the confidence of a sheep nearing its slaughter. He pulled her head off and she looked up at him and smiled; cum was stuck to the sides of her mouth like some kind of sick clown.

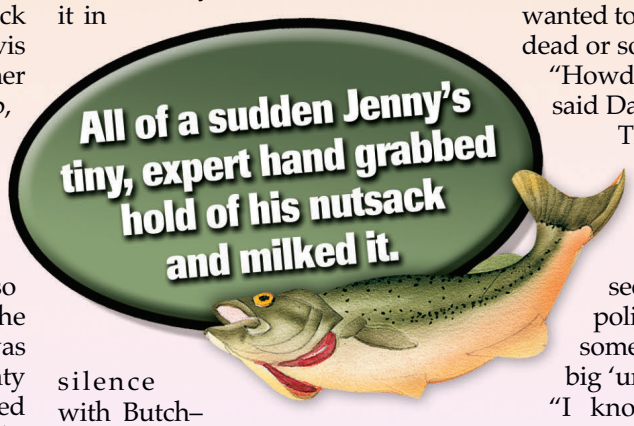

"That was good," said Jenny, as she licked her lips with her talented tongue and started stroking his cock.

Dale's wife fainted.

"That's all it took, the mention of your name. And all my love for you burst into flame," sang the ghost of Gram Parsons from the radio of Dale's truck. Hooked on teens, thought Dale, that's what I am.

There hadn't been any talk of divorce since that wild incident with Jenny more than a week ago. There really hadn't been too much talk at all outside of the normal yelling at Bobby when he came home drunk with some hooker from the casino for the second night in a row.

Dale had gone about his construction routine, working longer hours than average. He'd come home each night to a dinner his wife had made for the family and the two of them ate it in silence with Butch– both of their sons being elsewhere, probably steps away from jail. Afterwards, Gladys would wash the dishes and Dale would come up behind her to comfort his wife. She'd nudge him away and he'd feel the dew on her cheek. She was a woman who liked to hide her tears, and he thought highly of her for it. He wanted to tell her to go out and cheat on him with that preacher she liked so much down the road. Get a piece of ass to reciprocate. Why not?

Sure, there had been rumors about the two of them, but in such a small town that was common. Dale didn't think it had moved beyond a peck on the cheek–but if it had, so what? He had cheated on his wife and he deserved it. That was pretty much the reason why he'd left late that Friday night. He hitched his small fishing boat onto his truck and made sure to pack his rod (his fishing rod), his tackle box, his Gram Parsons cassettes and some cold beers for the road. That woman deserved her time alone.

He didn't right know where he was going. It was a lake that had been named one of the best local fishing destinations in the state according to a magazine he had picked up.

His sharp memory allowed him to make way, but it was now the early morning hours and he decided to pull over, in case he was getting too far lost on the backwood roads of a town he had never actually been in. He knew in his gut that he was close to the lake. He could practically hear the bass biting at the witching hour.

"Mister, are you alright?"

Dale came-to in his truck. The sun was out and warmed his blood through an open window. Who was knocking on his window? Hopefully, it wasn't a cop.

"How are you?" said some wily weirdo with a kooky fishing hat. "Just wanted to make sure that you weren't dead or somethin'."

"Howdy. Thanks for the courtesy," said Dale.

The stranger extended his hand towards the window and Dale rolled it down and shook it.

"Pleasure. Well, I'll see you," said Dale, feigning politeness. "Came down to do some thinkin' and catch some big 'uns," he finished.

"I know the feelin'," said the stranger. "Be on the lookout for some tasty scenery, if ya know what I mean. Never seen anything as tempting."

"Bye now," said Dale. What in the shit was this kook talking about?

His truck bumped along up the hill of a dirt road and once at the top, he paused to take it in.

There she was.

It was the most beautiful body of water Dale had lain eyes on in quite a while. The water was an emerald green that sparkled orange from the sun. Even from here he could see fish biting and leaving concentric rings

Tiffany, we've heard that peeing isn't the only kind of squirting you do.

"Yes. I recently discovered that I can squirt during sex too. It completely took me by surprise. When it happened I actually thought I had peed myself. I was super embarrassed, but the guy reassured me that it was really hot. Later on I looked it up online, and that's when I realized I had squirted. I've done it one other time. I'm learning about it and how I can make it happen more often."

Where were you when you first squirted?

"I was actually in the storage closet at school. You know, where they keep all the cleaning supplies. I know it doesn't sound very sexy, but the sex was really hot. We could hear people walking around outside the door as we fucked. Then I squirted and got juice all over the floor. [*Laughs*] There was a mop right next to me so I grabbed it and cleaned up a little because I was so embarrassed."

When I came in to do this shoot I had no idea it would turn out this way. It was better than I expected and I have no regrets.”

Tina says she plans to do more nude modeling.

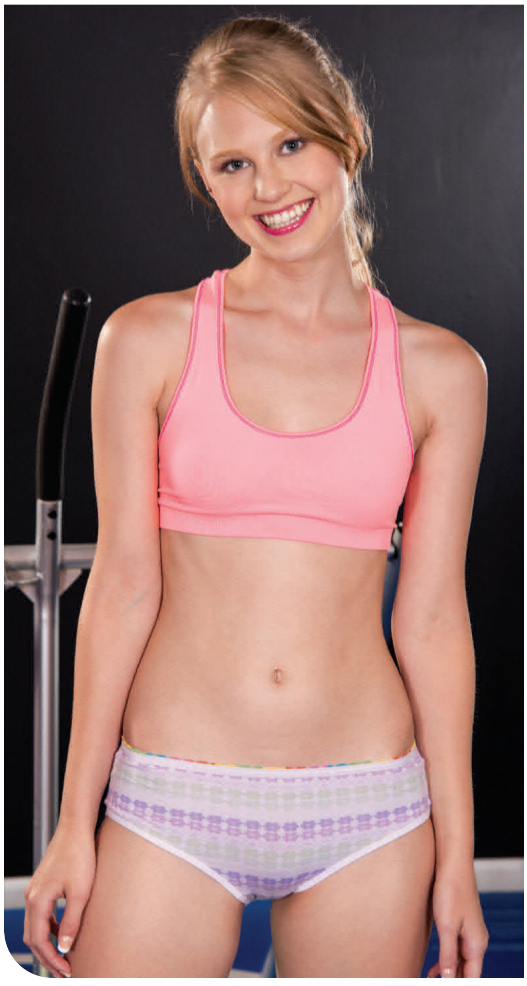

"I know some other girls who have done nude modeling and even had sex in pornos, but it was something I never considered for myself. But now I understand why someone would do it. Lily, do you do anything to maintain your figure?

"I go to the gym sometimes and run a little, but I've always been naturally thin. I try to be active so I can stay thin, but working out can be kind of boring. Sex is my favorite exercise."

Do you work up a sweat when you fuck?

"I do when it's good. My favorite kind of sex is high energy with a lot of bouncing, pounding and moaning. It definitely feels like a workout to me, especially if I'm riding a guy. My legs really have to work to bounce on his cock."

We hear cum is a great source of protein.

"I've heard that too. I guess that's a bonus! But that's not the reason I swallow. It's just hot to suck a guy off after fucking like crazy. To me, the guy's dick feels the hardest right as he's about to cum, and I love feeling that in my mouth."

HOOKED ON TEENS

Continued from page 62

across the surface. A flock of ducks made a V-shape, and the tops of hundreds of pine trees tottered gently in the country breeze.

This was what life was all about. Getting away and figuring out where a man was in life was a very undervalued and rare thing in this world. He wasn't a man to get lost in the flowery life, but he could tell this trip was going to make a difference. Dale was so caught up in his thoughts of a renewed self that he failed to see the twitching in the bushes around him. All of a sudden he hit the brakes and almost got whiplash.

"Watch out, Sally," said a frizzy-haired teen from behind a bush.

"Girl, are you trying to get killed?" yelled Dale out of the driver's side window, trying to make eye contact.

"No, I'm trying to find the endangered Hyspectoroid lizard," said the nearly-mashed teen.

"What?" quizzed Dale, squinching his nose until it wrinkled.

"Don't mind her, man," said the frizzy-haired teen as she came out from behind the bush. "We're interns from the local nature preservation society and we're looking for an endangered lizard species. My name is Molly. Say, are you going fishing? Would you mind taking me out? I need a break, and I've never been fishing on this lake before."

Dale sized her up. All of this teen business came out of nowhere. Wouldn't you know it? A man goes out of his way to escape the temptation of cheating on his wife with a horny teen and it just pops up in front of him. Molly carried the appearance of a heavily studied young girl, but underneath her coke-bottle glasses and a T-shirt that proclaimed, "Save the Manatees," the lass had a rack on her and an ass that Dale wanted to see close up. Best of all, she had lips that surpassed Jenny's, ruby red ones that made a perfect O.

"Only if you're in the mood to catch the endangered cock bass. That's why I'm out here. You're going to have to get your hands dirty, 'cause I didn't bring any gloves. And let me know if you mind bending over and

touching a rod, 'cause I don't have a lot of time to teach you. Do you catch my drift, honey?" winked Dale.

Molly was clearly stunned. Dale saw her mind racing as she picked up on the innuendos. She looked at her friend, who was already lost behind some trees. She opened up and got in.

"I'm good with a rod and I don't mind bending over," said the teen. "What's your name?"

"My name is Dale, Mack Dale," said Dale, bluffing like mad.

Dale got the boat into the water with little trouble and Molly unpacked the truck. He noticed that she had folded the top down on her shorts so that a little bit of crack popped out. Through her purple T-shirt, he spotted rock-hard nipples that made his cock hard.

Five minutes on the water, the fish were biting like a crazed LSD victim at Woodstock '69. Molly was bending over to pull all of the bass out of the water and each time her shorts fell off her hips more and more.

"We sure are catching a lot of them today,"said Molly. "And I sure appreciate you letting me come with you on your boat, Mack. If there's anything I can do for you, you just let me know."

"That's very kind of you to say, and why yes there is," said Dale, standing and walking toward her.

He came up behind her and pulled her shorts off and let them sink to the boat's floor. He ran his hand through her puffy hair and felt endorphins flow through his dick. Her ass was a perfect, white moon of bliss.

"I've never done it on a boat before," she said, nervously. "Gee, I hope you're not too big, man. What if somebody sees us?"

"Who? Your kooky girlfriend? She's off hunting lizards. But I've got your lizard right in my pants. How does this feel?" said Dale, running his thumb over her moist asshole.

She said something unintelligible and dirty. Dale took that as a good sign. He dropped his pants and slapped his cock against her ass cheek. A drop of pre-cum plopped on her ass and Dale smeared it in with the head of his cock.

"Don't use a rubber. I want to feel it. Don't cum inside me though," she exhaled. "You might think I'm dirty, but I just don't like rubbers."

"Don't you worry about that. Old Mack's got you covered," said Dale.

Dale ran his hand over her pussy. She was clean-shaven and smooth as a crystal ball. What he saw in his future was crystal as well, and what he saw was his cock in this girl. He turned her around and stuck his tongue down her throat. She gripped his cock hard. Her tiny, pink tongue found its way back into his hot mouth and it was a live one. Her tongue was so far back in Dale's throat he thought he might choke.

"Slow down," said Dale. "Let me show you how it's done out here on the lake. It takes practice and patience. I want you to relax."

Dale entered her fudge-tunnel slowly. The boat almost capsized. He could have confused it with heaven. Her browneye was tight and warm and contracted around his nine-inch cock like the mouth of a boa constrictor. Dale fought back and shoved his spear deeper into her ass. Molly moaned and a bead of sweat formed on her back and streamed off.

"Do me in my butt!" she screamed. "Your dick is so big. How big is it?"

"It's about nine inches," boasted Dale, as he pumped away. "And I'm only a quarter of the way in.'

He gave a thrust and now he was about halfway in. She was panting, and beads of sweat mixed with the ass-juice to create nature's very own lube. Dale took some and smeared it all over his cock. This was the best dick butter known to man. The girl was squealing so loud he was surprised they didn't have an audience of people around them.

"I want to feel your balls in my hand! I'm a dirty girl! Mack, fuck me harder!" screamed Molly.

Dale pumped even harder in her ass and ass-juice spewed out. His entire cock was buried deep inside her, so deep it was probably coming out of her pussy. He calmly brought his large nutsack up under to her awaiting hand. She started to milk his sack and the pleasure was overwhelming. Something came over him and he started to shake. This was a monster eruption of spunk and damned if he wasn't going to fill up her ass. He unleashed a massive load in her ass just as a king-sized bass jumped up from the water. Her nerdy glasses popped off. She practically passed out from the filling as Dale slithered out of her asshole.

Hooked on teens. Dale smiled. 18

Piper
Magic Pussy

Piper proves she's girlfriend material.

Yes, she is adorable, but a girl has to be more than cute to keep a guy. "I have a lot of good qualities. I'm very generous and easy-going. I love to give massages and go on fun dates. I'm low-maintenance, and I love to fuck!"

Her pristine pussy will also keep guys coming back for more.

"Something that I've been told a lot by guys is that I have a magic pussy. They all tell me how pretty, soft and tight it is, and how good it smells and delicious it tastes. So I've always been pretty confident in that department. It's also a magic pussy for me too, because I get wet really fast and I'm capable of having lots of orgasms. The most I ever had in one session was 10 orgasms. I love my horny pussy!"
